2026-2027 Alabama Farm-City Artificial Intelligence Policy - Student Contests July 1, 2026

The Alabama Farm-City Committee recognizes the increasing role of Artificial Intelligence (AI) in education, creativity and communication. To preserve fairness, originality and ethical standards in all contests, the following policies apply to all student contest entries.

General Guidelines:

- **Required Transparency:** Any use of AI (a.g., chatbots such as ChatGPT, Microsoft, Copilot; Canva AI; Photoshop AI; AI video generators, etc) must be clearly disclosed at the time of submission.
- **Human-Centered Creation:** Entries must primarily reflect the ideas, work and creativity of the contestant(s). AI may assist, but cannot replace, the contestant's originality and effort. ●
- **Prohibited Use:** Contestants may not submit fully AI-generated works as their own original creation. Entries primarily or completely AI-generated will be disqualified.

Essay Contest:

- **Allowed Uses:**
 - Using AI to brainstorm ideas, create outlines, or suggest improvements.
 - Using grammar or spelling correction tools (i.e. Grammarly).
- **Prohibited Uses:**
 - Submitting AI-generated content as original work.
 - Copying AI-generated content directly into the submission without substantial revision and personal contribution.
- **Disclosure Requirement:**
 - A brief statement must be included at the end of the essay if AI tools were used. A fillable disclosure is located at the end of this document.

Video Contest:

- **Allowed Uses:**
 - Using AI for editing suggestions, subtitles, or enhancing video quality.
 - Using AI-generated background music or visuals, provided they are properly licensed. ●
- **Prohibited Uses:**
 - Submitting fully AI-generated videos or scripts as original work.

- Using AI avatars as AI-generated voices to represent contests intended to appear as student-created.

- Disclosure Requirement:

- A brief statement must be attached to the video entry sheet if AI tools were used. A fillable disclosure is located at the end of this document.

Consequences of Non-Compliance:

- Failure to disclose AI use of submitting primarily AI-generated work as original may result in disqualification.

- Judges reserve the right to question entries and request clarification regarding AI involvement.

Alabama Farm-City encourages students to explore technology responsibly. Proper AI use demonstrates critical thinking, creativity and ethical decision-making, aligning with the mission of Alabama Farm-City to promote understanding and cooperation between rural and urban communities.

Policy Effective: July 1, 2025
